

Thunder Shooters Club Membership Information

“Developing skills requires continued opportunity for instruction, practice, and encouragement.”

Thunder Shooter's Club (TSC) is a members only organization formed to safely develop defensive shooting skills through training, practice, and competition. TSC is open to anyone, any age, any skill level, regardless of their current abilities. Our goal is to enhance your shooting experience, and build your shooting skills.

TSC offers exciting, dynamic opportunities for you to improve your defensive shooting by providing:

- Training Classes
- Coached practices
- Private Lessons
- Women Only Programs
- Organized Competitions

We will get you “out of the cubicle”, and into the “field”. Our training is conducted in open bays, and focuses on dynamic shooting skills.

The guiding tenets of TSC are:

1. **Safety.** Events are conducted in the safest manner possible. PERIOD. All events are supervised by NRA certified instructors and coaches.
2. **Education.** Participants will gain useful information from our training sessions.
3. **Fun.** Everyone has a good time.

Benefits of Membership

TSC is an opportunity for you to develop advanced shooting skills, and practice them. We provide those who either compete or attend major schools, the opportunity to practice their skills economically on a regular basis.

Thunder Shooting Club has qualified instructors to work with you personally, and these added advantages:

- We’re local. You don’t have to travel cross country and pay for food and lodging.
- Our teaching method is effective. Skills are presented in small, manageable blocks; usually about 2 hours. You are allowed to develop skills at your own pace.
- We provide you the opportunity to learn a skill, practice it in class, and then continue to develop it through coached practice sessions.

Simply put, we provide a safe, positive environment for you to learn, and practice skills that is not available on most public ranges.

Class Offerings

- Handgun Strong Hand, Support Hand Shooting and Clearing Malfunctions
- Handgun Shooting While Moving
- Engaging Multiple Targets
- Defensive Shotgun
- Use of Cover and Concealment
- Handgun Shooting Positions
- Defensive Revolver

Women on the DRAW

These events are developed for women to encourage them to shoot, and empower them to develop their shooting skills:

- Women's Night at The Range
- Women's Basic Handgun Class
- Women's Advanced Handgun Class
- Women's Open Practice
- Women only CHL classes

Youth Programs

TSC holds events to introduce youth to shooting sports including:

- Basic firearm safety
- Three position shooting

Shooting Competitions

TSC periodically hosts friendly intra club competitions for members to use skills learned in class. We also have affiliations with several international shooting associations.

Defensive Pistol Shooting (DPS) League Shoot

This event gives members the opportunity to apply the skills they have learned in class to dynamic shooting scenarios. These events are conducted according to the rules of the Lone Star Shooting Association (www.lssa.us)

Rimfire Fun Shoot

This event is designed to provide individuals and families with an opportunity to shoot in a fun, supportive environment with their .22 LR pistols, revolvers, and rifles. The event is conducted according to the guidelines of the Ruger Rimfire Challenge.

Other Shooting Associations

TSC also has affiliations with IDPA, USPSA, LSSA, and ICORE clubs for members that want additional competitive opportunities.

Additional Club Benefits

- Wide variety of skills development classes
- National Rifle Association (NRA) certified instructors and coaches
- Ammo purchase specials
- Pro shop specials
- Coached practice sessions
- Multiple class discount packages
- Friendly competitions
- Women only programs
- NRA "Patch Qualification" sessions
